I. INTRODUCTION

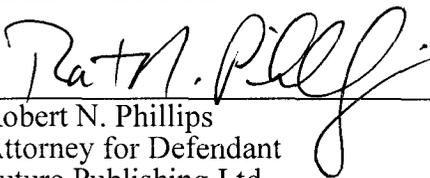

Defendant Future Publishing Ltd. opposes defendant Edge Games, Inc.'s ("Edge Games") motion to reverse the division of Registration No. 2,219,837 ('837 Registration) or to bring Child Registration No. 3,713,604 ('604 Registration) into these proceedings. For its

opposition, Future joins in, and incorporates by reference, the opposition brief filed by Petitioners. (Docket No. 61) In addition, Future incorporates herein its opposition to Edge Games' motion to withdraw its voluntary surrender with prejudice of the '837 Registration. (Docket No. 47).

In addition to the foregoing, Future notes that Edge Games' voluntary surrender *with prejudice* of its '837 Registration satisfied all technical requirements for a surrender, as Edge Games was the sole owner of the '837 Registration at the time the surrender was filed. Therefore, there is no basis for the Board to permit the surrender to be "withdrawn," and Edge Games' motion to reverse the division of the '837 Registration should be denied as moot.
